| Manufacturer                       | STMicroelectronics                                     | Description                    | IC PROCESSOR ADV SIGNAL 44-LQFP |
| Package / Case                     | Tape & Reel (TR)                                       | Quantity Available             | 500                             |
| Voltage - Supply                   | 7.5 V ~ 10 V   | Supplier Device Package        | 44-LQFP (10x10)                 |
| Specifications                     | -  | Series                         | -                               |
| Packaging                          | Tape & Reel (TR)                                       | Package / Case                 | 44-LQFP                         |
| Operating Temperature              | -40°C ~ 85°C (TA)                                      | Number of Channels             | 2                               |
| Moisture Sensitivity Level (MSL)   | 3 (168 Hours)  | Lead Free Status / RoHS Status | Lead free / RoHS Compliant      |
| Interface                          | I <sup>2</sup> C                                       | Function                       | Audio Signal Processor          |
| Detailed Description               | Audio Audio Signal Processor 2 Channel 44-LQFP (10x10) | Base Part Number               | TDA7407                         |
| Applications                       | Automotive Audio                                       |                                |                                 |
