| Package / Case                         | Tape & Reel (TR)                                      | Quantity Available               | 2588                                      |
| Voltage - Supply (Vcc/Vdd)             | Not Required  | Voltage - Load                   | 2.5 V ~ 6.5 V                             |
| Switch Type                            | General Purpose                                       | Supplier Device Package          | 6-WSON (2x2)                              |
| Series                                 | -   | Rds On (Typ)                     | 100 mOhm                                  |
| Ratio - Input:Output                   | 1:1   | Packaging                        | Tape & Reel (TR)                          |
| Package / Case                         | 6-WDFN Exposed Pad                                    | Output Type                      | N-Channel                                 |
| Output Configuration                   | High Side   | Operating Temperature            | -40°C ~ 150°C (TJ)                        |
| Number of Outputs                      | 1   | Moisture Sensitivity Level (MSL) | 1 (Unlimited)                             |
| Lead Free Status / RoHS Status         | Lead free / RoHS Compliant                            | Interface                        | On/Off                                    |
| Input Type                             | Non-Inverting   | Features                         | Slew Rate Controlled                      |
| Fault Protection                       | Current Limiting (Adjustable), Over Temperature, UVLO | Current - Output (Max)           | 1.1A                                      |
| Base Part Number                       | TPS2550   |                                  |   |
