**Technical Information of 2W10M**

|                                |                                       |                                   |  |
|--------------------------------|---------------------------------------|-----------------------------------|--|
| Manufacturer Part Number       | <a href="#">2W10M</a>                 | Category                          | <a href="#">Discrete Semiconductor</a> |
| Manufacturer                   | <a href="#">GeneSiC Semiconductor</a> | Description                       | DIODE BRIDGE 1000V 2A WOM              |
| Package / Case                 | Bulk                                  | Quantity Available                | 975                                    |
| Voltage - Peak Reverse (Max)   | 1000V                                 | Voltage - Forward (Vf) (Max) @ If | 1.1V @ 2A                              |
| Technology                     | Standard                              | Supplier Device Package           | WOM                                    |
| Series                         | -                                     | Packaging                         | Bulk                                   |
| Package / Case                 | 4-Circular, WOM                       | Operating Temperature             | -65°C ~ 125°C (TJ)                     |
| Mounting Type                  | Through Hole                          | Diode Type                        | Single Phase                           |
| Current - Reverse Leakage @ Vr | 10µA @ 1000V                          | Current - Average Rectified (Io)  | 2A                                     |

2W10M 975pcs New and Original in Stock, Find 2W10M Stock, Datasheet, PDF, Inventory at Ariat-Tech.com Online, Order 2W10M GeneSiC Semiconductor with warrantied and confidence. RFQ 2W10M : [Info@Ariat-Tech.com](mailto:Info@Ariat-Tech.com)
